## ***High ropes sessions involve lots of teamwork***

What different team jobs did you do during your High Ropes session?

---

---

---

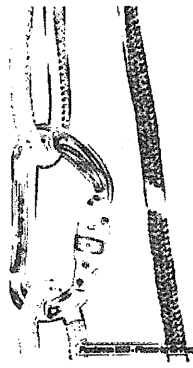

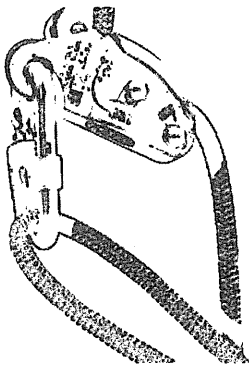

---

---

---

---

---

### ***Managing the ropes***

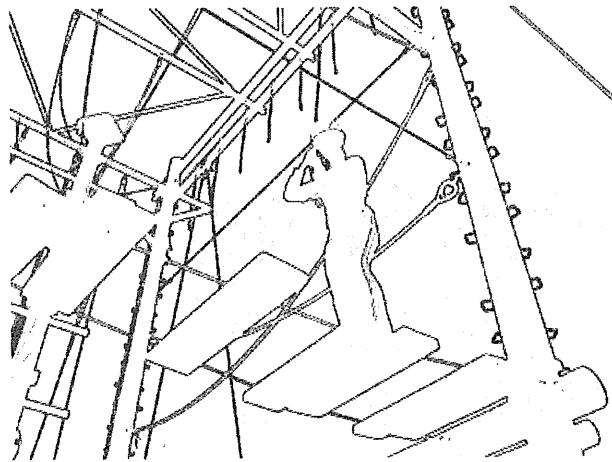

You need special equipment to manage the ropes to keep you safe. Explain how you control the rope using the equipment in the picture.

### ***Thrills and spills***

High ropes challenges are very exciting. Describe what it was like when you built your tower of crates.

### ***How high did you go?***

How many levels did you manage to build? Who was in your team?

### ***What was your scariest moment?***

What other challenges did you try? Which was the hardest? What was your scariest moment?
