

Wednesday

Working together

Thinking of the things you have done so far this week and discuss them with a friend. Score yourself and get your friend to give you a score. BE HONEST

	My score	Friends score
Effort on Monday		
Recycling		
Effort on Tuesday		
Helping other people		
Effort on today's activity		
Cheerfulness		
Sharing		

1 = poor effort; 2 = could be better; 3 = good effort; 4 = my best

We all have different personalities and life would be very dull if we were all the same. In outdoor activities you often have to work closely with other people, sometime trusting them with your life. When the going gets tough you will often find out surprising things about yourself and those people around you.

Have you learnt anything new about yourself this week?

Have you learnt anything new about someone else in the group?

A team will have a mixture of personalities and skills. Next to each cartoon, on the following pages, write the name of anyone in your group, including yourself, who fits that description. There can be more than one name on each description and one persons name could appear several times. Put everyone's name down at least once. See what you and your group think of each other.

Personal Diary

Some thoughts about my stay so far:.....
