

Pendarren House Outdoor Education Centre

An opportunity for **YOU** to visit !!

24-26 February 2012

£45

This is an opportunity for Haringey staff to come and stay at Pendarren house and try the various activities we offer.

The weekend is for Haringey personnel who may be thinking of bringing a group in the future. Due to demand and to give representatives of the various borough departments an opportunity to attend there will be restrictions on numbers from each department. The price includes coach transport from Haringey to Pendarren, full board and activities. Accommodation is in shared bunkrooms.

The activities will be organised nearer the time when we have an idea of numbers and what people would like to do. The activities include climbing, canoeing, mountain walking and high ropes course (I'm afraid the unheated swimming pool won't be an option at this time of year).

Pendarren House is an Outdoor Education Centre maintained by Haringey Children and Young People's Service. It overlooks the delightful Grwyne valley in the Brecon Beacons National Park in south Wales. The Centre can accommodate up to 60 students.

Application forms and terms and conditions are available on the website. To book complete the booking form (Downloads, Other Courses Individual - Course Application form) and return to Pendarren House with a cheque for the full course fee (£45.00). This includes: return coach journey from Haringey, full board and accommodation, all tuition and use of equipment. Contact the Centre if you wish to pay via BACS or SAP.

Completed forms should be returned to:
